## A Proud lineage in coffee

Cothas Coffee Co., the brand, was first passionately brewed in the late 1940s. Since inception, the brand has steadily endeared itself to ardent South Indian Filter Coffee consumers. Today, the day doesn't start in many households, without its rich cup of coffee, filled with its signature aroma and rich taste.

---

## Get coffee truly working for your workplace

---

Few things energise a workplace like a well-brewed cup of coffee.

And precious few brew a cup like those with 70 years of creating liquid appreciation from coffees from Cothas Coffee Co.,

The company purveyor of India's finest filter coffees, brings a compelling range of coffee solutions for various requirements.

Whether small, medium or large, every workplace is sure to find something to suit them to taste.

**The company's tailor-made devices extend from modest but effective coffee brewing machines for cafeterias and pantries all the way to elegant coffee brewers worthy of executive boardrooms and more with the same aromatic taste cup after cup.**

## How is Cothas Coffee different?

---

"But my old coffee wala or that coffee powder machine is just as good, isn't it?"

**That's a question we hear often. And it's a good one to ask. But here's what Cothas coffee CAN deliver with unmatched quality. Over 7 decades of just one thing. Roasting and grounding the finest flavor out of every bean. High-grade, superior quality coffee beans, sourced directly from select estates.**

## Pedigree and services offered

---

Complete control over the inventory, whether it's the coffee itself or the machines. Leaves one with consistency already proven in the consumer market with market leadership position for the past several decades.

***We ARE the largest coffee roasters in the country, after all.***  
**for its coffee vending devices.**

Quality traceability down to the estate. So we know where any

## Coffee solutions for corporate offices & high footfall areas

Comprehensive range of coffee solutions for small, medium and large corporate houses & high foot fall public areas.

Customized coffee solutions right from large vending capabilities for Office pantries / cafeterias / conference rooms, hospitals and educational institutions etc.,

These machine offerings include indigenous coffee & tea brewers custom made to suit the Indian palette

The superior coffee blends and coffee machines have enabled our clients across the country to treat their employees and associates to provide an authentic South Indian filter coffee experience
